“Japan Post Group Vision 2021” is a roadmap for becoming the company we aspire to be by 2021, the year marking our 150th anniversary. Improvements will be carried out in three stages to ensure that we achieve our goals.

**Stage 1 (Establish):** With revision of the Postal Service Privatization Act, we will establish strong operating platforms and build the foundations for future growth. Measures include changing the mindset of employees, creating a sense of unity and encouraging tie-ups within the Group, invigorating the post-office network, streamlining existing businesses, strengthening internal controls, developing new products and services, and launching new businesses. We will also prepare for the near-term stock listing of Japan Post Holdings Co., Ltd.

**Stage 2 (Grow):** The Group’s growth opportunities will be clarified and aggressively pursued. With the aim of winning the full confidence and support of investors, profitability for existing businesses will be improved and strategic investment in new fields initiated in Stage 1 will be continued to diversify revenue streams by developing new products, services, and businesses.

**Stage 3 (Develop):** The Japan Post Group will develop itself even more by advancing further the growth initiatives promoted in Stage 2 and securing the Group’s growth path.

**Aim for a Near-Term Stock Listing**

- As funds raised from listing Japan Post Holdings Co., Ltd. will be used to redeem reconstruction bonds issued after the Great East Japan Earthquake, a “near-term listing” at “maximum equity value” is desired.
- While strengthening corporate governance, compliance, and management practices, a growth strategy must be implemented by improving our three existing businesses, making strategic investments, and moving into new areas. We aim to become a corporate group highly valued by investors.
- The Japan Post Group is obligated to realize the near-term listing of Japan Post Holdings Co., Ltd. at maximum equity value. We will consistently carry out the three improvements described in “Japan Post Holdings Group Vision 2021” to achieve these goals.
