## 2. Japan Post Group Privacy Policy

### 1

#### Japan Post Group Privacy Policy

The Japan Post Group (“the Group”) is dedicated to providing services that can achieve a high degree of customer satisfaction. Properly protecting personal data is vital to accomplishing this goal. Accordingly, the Group has established the following fundamental policy for protecting personal data, which is generally known as the Group’s privacy policy.

##### (1) Compliance with laws and regulations

When handling personal data, the Group complies with all laws and regulations associated with protecting personal data, national government policies and the provisions of the privacy policy (“laws, regulations, etc.,” hereafter).

##### (2) Purpose of using personal data

The Group specifies the purpose of using personal data and uses this data solely for achieving this purpose.

The purposes for which Group companies use personal data are listed in the privacy policies on each company’s website and where applicable.

##### (3) Acquisition of personal data

The Group acquires personal data using methods that are legal and proper.

##### (4) Security measures for management of personal data

The Group uses an appropriate security management system to prevent leaks, losses or alterations of personal data. In addition, the Group properly supervises employees and outsourcing parties.

##### (5) Provision of personal data to third parties

Except in cases where required by laws, regulations, etc., the Group does not supply personal data to third parties without the prior consent of each individual.

In cases where two or more Group companies share the same personal data, this sharing is performed only after providing prior notice or public announcements of items required by law.

##### (6) Procedures for requesting disclosure of personal data

The Group responds in a sincere manner in cases where there are requests for the notification of the purpose of use or for the disclosure, correction or termination of use of personal data as prescribed by laws, regulations, etc.

The disclosure request procedures for each company can be found on their respective websites and where applicable.

##### (7) Points of contact for inquiries

Inquiries and requests regarding disclosure and other uses of personal data can be made to designated points of contact.

##### (8) Continuous improvements

The Group constantly reviews and improves its management and handling methods for the protection of personal data in response to advances in information technology and shifts in social demands.

The Japan Post Group began with the October 2007 privatization of Japan's postal system. Japan Post Group companies consist of Japan Post Holdings Co., Ltd., Japan Post Network Co., Ltd., Japan Post Service Co., Ltd., Japan Post Bank Co., Ltd., Japan Post Insurance Co., Ltd. and several other subsidiaries and affiliated companies.

Each Japan Post Group company uses its respective specialized skills to provide high-quality services. The objective is to achieve even greater customer satisfaction.

To accomplish this goal, the Japan Post Group wishes to share customers' personal data solely to the degree required and within the scope explained below. This data is used to conduct business activities performed directly by Group companies or through outsourcing parties.

The Group asks for customers' understanding and pledges that strict information management will be used during the shared use of personal data.

#### (1) Personal data items for shared use

Shared use covers names, birth dates, addresses, telephone numbers and other contact information, family members, occupations and data concerning business transactions with the Group. However, this excludes information about materials sent or delivered by postal mail or any sensitive information.

#### (2) Scope of parties involved in shared use

Shared use is limited to the Japan Post Group. However, this applies only to companies included in the consolidated financial statements, including equity-method affiliates, of Japan Post Holdings, as prescribed by laws, regulations, etc., and is limited to the following companies:

Japan Post Holdings Co., Ltd.; Japan Post Network Co., Ltd.; Japan Post Service Co., Ltd.; Japan Post Bank Co., Ltd.; Japan Post Insurance Co., Ltd.

#### (3) Purpose of use

- 1) Distribution of information about services and research and development involving services
- 2) Decisions involving the provision of services
- 3) For the proper management of Group business operations primarily for the purpose of monitoring and managing risks

#### (4) Name of party with responsibility for managing personal data

Japan Post Holdings Co., Ltd.

#### (5) Other items

- 1) Customer data from pre-privatization postal insurance policy contracts will be used for insurance sales activities only after receiving the prior consent of the applicable customers.
- 2) Prior consent of the applicable customers will be received before using data on savings transactions (private financial information) for insurance sales activities and before using data on transactions (private financial information) involving life insurance policies (including postal insurance) to sell savings products.

# 3. Japan Post Group Conflicts of Interest Management Policy

## Details of policy

The Japan Post Group (“the Group”) conducts business activities fairly based on laws, ordinances and internal regulations so that the interests of customers are not unduly impaired due to transactions that may give rise to a conflict of interest.

1. The following companies in the Japan Post Group (“Group companies”) fall within the scope of the Conflicts of Interest Management Policy

- Japan Post Bank
- Japan Post Insurance
- Japan Post Network

2. The Group will manage conflicts of interest for the transactions stipulated below.

(1) Transactions that may unduly impair the interests of customers among the following transactions:

- Transaction with a customer that has an interest in one of the Group companies based on an agreement
- Transaction with a party that has conflicting interests or is competing with a customer that has an interest in one of the Group companies based on an agreement
- Transaction that makes wrongful use of information gained from a customer with an interest in one of the Group companies based on an agreement

(2) Any transaction aside from the aforementioned that may unduly impair the interests of the customer due to a conflict of interest

3. The Group will select one or a combination of the following methods and other measures to manage transactions with a conflict of interest:

- (1) Separate the business unit conducting the target transaction and the business unit conducting the secondary transaction with the customer
- (2) Amend the terms and conditions or method of the target transaction or the secondary transaction with the customer
- (3) Discontinue the target transaction or the secondary transaction with the customer
- (4) Properly disclose to the customer that the target transaction may unduly impair his or her interests

4. The Group will establish a department that handles conflicts of interest independent from business departments that will specify target transactions and properly manage conflicts of interest. In addition, the Group will educate and train executives and employees so that they comply with laws, ordinances and internal regulations set down regarding the management of conflicts of interest.

5. The Group will continuously review its management stance regarding conflicts of interest and strive to make improvements.

# 4. Japan Post Group Information Security Declaration

Services provided by Japan Post Holdings, Japan Post Network, Japan Post Service, Japan Post Bank and Japan Post Insurance as the Japan Post Group are used by a large number of customers. We believe that information about these customers must be strictly managed, and the services used by customers must be absolutely safe.

We understand that information security is essential for customers to use our services with confidence. Our activities reflect

this awareness of the importance of information security. We place priority on the following items in order to manage information about customers safely and to protect this information from leaks and alterations resulting from unauthorized access and from disruptions in services caused by accidents, natural disasters and other events.

1. We will establish a basic policy regarding information security for the Japan Post Group and follow this policy for the purpose of conducting information security activities.
2. We will conduct a continuous information security training program for the purpose of maintaining a strong awareness among employees of the importance of information security and reinforcing that awareness.
3. We will conduct continuous inspections of information security activities and make revisions and improvements whenever needed for the purpose of maintaining and enhancing the effectiveness of information security activities.
