Japan Post Group aims to become a “Total Lifestyle Support Group” while working together as Team JP based on our post office network and ensuring universal services. In doing so, we strive to enhance corporate value by achieving sustainable growth of business, securing stable income, demonstrating public benefits and contributions to local communities and enhancing shareholder returns.
Medium- to Long-term Vision

Bring happiness for all people, no matter how old they are or where they live, by providing total lifestyle support services.

Strengths Value

Creation Future Vision

● Promotion of work style reforms, development of human resources within the Group and cultivation of a sense of unity throughout the Group
